

# SNAP Produce Match in Grocery Stores

## PART OF WASHINGTON STATE'S FRUIT AND VEGETABLE INCENTIVES PROGRAM

Since 2015, the Washington State Department of Health and dozens of partners have implemented Fruit and Vegetable Incentive programs at farmers markets and grocery stores to make healthy food more affordable for low-income families in Washington. With funding from Washington State, the U.S. Department of Agriculture, and local and private entities, the Fruit and Vegetable Incentives Program helps Washington families on limited budgets afford more fruits and vegetables.

At participating grocery stores in Washington, customers who use Supplemental Nutrition Assistance Program (SNAP) benefits to purchase fruits and vegetables receive a discount or coupon for their next fruit and vegetable purchase.
