

Medically Verified Immunization Records

All immunization records turned in to schools or child care centers are required by state law to be medically verified. A medically verified Certificate of Immunization Status (CIS) form is a:

- CIS printed by a health care provider or school from the Washington State Immunization Information System. This is medically verified by the Immunization Information System.
 - CIS printed from MyIR which is a free Department of Health online tool that allows families to view and print their official immunization records themselves. This is medically verified by the Immunization Information System. Go to <https://wa.myir.net/register> to begin the sign-up process.
 - Hardcopy CIS (2020-2021) completed by hand. Find the CIS form by visiting <https://www.doh.wa.gov/SCCI> and clicking on “Certificate of Immunization Status.”
 - Must be verified with a health care provider signature.
- OR
- Must have medical vaccination records attached so it can be verified for accuracy by school or child care staff
