Application Instructions Checklist

**Important background check information:** Washington State law authorizes the Department of Health to obtain fingerprint-based background checks for licensing purposes. This check may be through the Washington State Patrol and the Federal Bureau of Investigations (FBI). This may be required if you have lived in another state or if you have a criminal record in Washington State. This would be at your own expense.

All information should be printed clearly in blue or black ink. It is your responsibility to submit the required forms.

☐ 1. **Demographic Information:**

**Social Security Number:** You must list your social security number on your application. You are not required to have or obtain a Social Security Number to apply for or obtain a license from the Department of Health. Please see the [Declaration of No Social Security Number Form](#). The NPI is a 10 digit numeric identifier. If you have a NPI number, provide this on your application.

These are both required within six months prior to application. “OTEP” means an ongoing training and evaluation program, which is approved for specific EMS agencies by the Department of Health and County Medical Program Directors (MPD). You do not need to submit documentation of your training to the department.
