## Applicant form requesting disability-based accommodation for examination(s)

To be completed by the applicant. Please print or type clearly in blue or black ink.

If you have a disability and need to request an accommodation for the Examination for Professional Practice in Psychology (EPPP) [www.asppb.org](http://www.asppb.org) and/or the jurisprudence examination, see [WAC 246-924-070](#), please provide the following information and return this form and the evaluator’s form to the Washington State Examining Board of Psychology. Before completing this form you should review the board’s Policies and Procedures for Disability-Based Examination Accommodation Requests. The Policies and Procedures and the Applicant and evaluator forms are available through the board’s [website](#). These forms and the documentation related to your request and the board’s decision will become a permanent part of your examination and licensing record.

The board requires that you also submit the evaluator form with current documentation from a qualified/licensed evaluator who knows your disorder/condition and its functional impact on your ability to perform on the EPPP, and/or on the board’s jurisprudence examination, or other similarly timed, standardized admission tests. You should make sure the evaluator has a copy of the board’s Policies and Procedures to review before completing that form. The board will consider the term “disability” as relevant to your request for an examination accommodation as the term is defined under the Americans With Disabilities Act (ADA) and under the Washington Law Against Discrimination (WLAD). These definitions are found in the board’s Policies and Procedures.

**The board’s review process and your option to appeal any decision is described in the Policies and Procedures.**
