Important Social Security Number Information:

It will be used under the state’s child support enforcement program to locate individuals for purposes of establishing paternity and establishing, modifying, and enforcing support obligations. You are not required to have or obtain a Social Security Number to apply for or obtain a license from the Department of Health. If you do not have a Social Security Number, you are still eligible to apply for and obtain a credential if you meet the requirements. All information should be printed clearly in blue or black ink. It is your responsibility to submit the forms required.

1. Demographic Information:

Social Security Number: You must list your social security number on your application. Please call the Customer Service Center at 360-236-4700 if you do not have one.

National Provider Identifier Number (NPI): The National Provider Identifier (NPI) is a standard unique identifier for health care professionals available from the Federal Centers for Medicare and Medicaid Services. The NPI is a 10 digit numeric identifier. If you have a NPI number, provide this on your application.

Legal Name: List your full name: first, middle, and last.

Definition of legal name: “Legal name” is the name appearing on your official certificate of birth or, if your name has changed since birth, on an official marriage certificate or an order by a court. Birth date: Provide the month, day, and year of your birth.

Address: List the address we should use to send any information about your license. Be sure to include the city, state, zip code, county, and country. This will be your permanent address with the Department of Health until we have been notified of a change. See [WAC 246-12-310](#).

All applicants must answer the same personal data questions. They are focused on your fitness to practice the essential skills of this profession.

If you answer “yes” to any questions in this section, you must provide an appropriate explanation. You must also provide the documentation listed in the note after the question. If you do not provide this, your application is incomplete and it will not be considered.

- Question 5 includes misdemeanors, gross misdemeanors and felonies. You do not have to answer yes if you have been cited for traffic infractions. You can get copies of court records through the county courthouse where the conviction, plea, deferred sentence, or suspended sentence was entered.
- Another jurisdiction means any other country, state, federal territory, or military authority.

3. Other License, Certification, or Registration:

List all states, including Washington State, where credentials are or were held. 2. Personal Data Questions

Yes No

1. Do you have a medical condition which in any way impairs or limits your ability to practice your profession with reasonable skill and safety? If yes, please attach explanation.....

“Medical Condition” includes physiological, mental or psychological conditions or disorders, such as, but not limited to orthopedic, visual, speech, and hearing impairments, cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disabilities, emotional or mental illness, specific learning disabilities, HIV disease, tuberculosis, drug addiction, and alcoholism.

If you answered yes to question 1, explain:

- 1a. How your treatment has reduced or eliminated the limitations caused by your medical condition.
1b. How your field of practice, the setting or manner of practice has reduced or eliminated the limitations caused by your medical condition.

Note: If you answered “yes” to question 1, the licensing authority will assess the nature, severity, and the duration of the risks associated with the ongoing medical condition and the ongoing treatment to determine whether your license should be restricted, conditions imposed, or no license issued.

The licensing authority may require you to undergo one or more mental, physical or psychological examination(s). This would be at your own expense. By submitting this application, you give consent to such an examination(s). You also agree the examination report(s) may be provided to the licensing authority. You waive all claims based on confidentiality or privileged communication. If you do not submit to a required examination(s) or provide the report(s) to the licensing authority, your application may be denied.

2. Do you currently use chemical substance(s) in any way which impair or limit your ability to practice your profession with reasonable skill and safety? If yes, please explain.....

“Currently” means within the past two years.

“Chemical substances” include alcohol, drugs, or medications, whether taken legally or illegally.

3. Have you ever been diagnosed with, or treated for, pedophilia, exhibitionism, voyeurism or frotteurism?.....

4. Are you currently engaged in the illegal use of controlled substances?.....

“Currently” means within the past two years.

Illegal use of controlled substances is the use of controlled substances (e.g., heroin, cocaine) not obtained legally or taken according to the directions of a licensed health care practitioner.

Note: If you answer “yes” to any of the remaining questions, provide an explanation and certified copies of all judgments, decisions, orders, agreements and surrenders. The department does criminal background checks on all applicants.

5. Have you **ever** been convicted, entered a plea of guilty, no contest, or a similar plea, or had prosecution or a sentence deferred or suspended as an adult or juvenile in any state or jurisdiction?

Note: If you answered “yes” to question 5, you must send certified copies of all court documents related to your criminal history with your application. If you do not provide the documents, your application is incomplete and will not be considered.

To protect the public, the department considers criminal history. A criminal history may not automatically bar you from obtaining a credential. However, failure to report criminal history may result in extra cost to you and the application may be delayed or denied.
