License Requirements

This is information to apply for a pharmacist license through score transfer. For more information visit our **website**.

General Information

- Washington State uses the North American Pharmacist License Exam (NAPLEX) to test your knowledge, judgment and skills as an entry-level pharmacist. Multi state Pharmacy Jurisprudence Examination (MPJE) tests you on both federal, state laws, and rules.
- 2. Applicants taking the licensing examination in another state for the purpose of score transfer to Washington must submit the same documentation, fees, intern hours and reports as a person taking the licensing exam in Washington. The licensing requirements must be completed within one year from the date the commission received score transfer notification from the National Association of Board of Pharmacy.
- 3. The Pre-NAPLEX practice examination is available on the NABP Website at https://nabp.pharmacy/.
- 4. You will need to submit NAPLEX and MPJE exam applications via your e-Profile on the NABP's e-profile connect system.
- 5. To receive your Authorization to Test (ATT):
 - Submit exam application and fees to the NABP.
 - Submit all required documentation before testing to our office.

Once the above steps have been completed, Washington Pharmacy Quality Assurance Commission will then release your name to the NABP as "eligible to test". Once eligibility is granted, the purchase exam link will appear in your e-Profile. After purchasing the exam, you will receive an Authorization to Test (ATT) via email and you can schedule your appointment with Pearson Vue.

• Exam results will be available on your NABP e-Profile approximately seven business days after you have taken the examination.
