

Check Your WIC Wisdom!

1. The WA WIC program is a nutrition program for what population? **Pregnant women, new and breastfeeding moms and children under the age of 5**
2. Food benefits are provided in the form of **a food prescription** to participants at a WIC clinic following a nutrition assessment.
3. What does MIR stand for, and why is it important to WIC vendors? **Minimum Inventory Requirements are the minimum stocking levels required to become, and remain an authorized WIC vendor.**
4. What is the contract requirement each authorized vendor must complete during a WIC contract period? **A store representative must attend at least 1 interactive training session per contract period. This can be in person, or on online as available.**
5. List at least 3 tools WA State uses for Quality Assurance in the WIC program? **Monitoring, Compliance buys, Complaints Process, Inventory Audits, Self-Assessments**
6. List two possible **sanctions** for violations of the WIC contract? **Terminations, Disqualifications, Civil Monetary Penalties, Claims**
7. WIC Card transactions require the shopper to show proper identification. TRUE or **FALSE**
8. List two possible items you should see printed on the final sales receipt of a WIC Card transaction. **Benefit ending balance, expiration date, foods approved for purchase**
9. How long should a store maintain WIC training records? **Current and one year of previous contract period**
10. Are blue WIC shelf tags required? **No**
11. Do you know where the nearest WIC clinic is to your store or how to contact them? **(Share the statewide clinic list or look at WIC Shopper app)**. Can you list a reason you would possibly contact a clinic near you? **Availability of specialty formula/foods, repeat client issues (food pkg education)**
